Status: August 2013

Acronym of project:	Glob Cert.12		
Title of project:	Towards global certification of global certification		

Project Start Date:	28/06/2012	Project End Date:	28/06/2013

Report	Final	Reporting period (up to):	August	2013

1. Overall progress

Please evaluate the evolution of the project so far, considering:

A)	Fulfilling initial objectives	*1 (will fail) –> 5 (will be fully achieved)*	**5**
B)	Complying with timeline	*1 (critical delay[1]) –> 5 (on schedule or ahead of schedule)*	**5**

1= In case of a critical delay, some action will be taken: revision of content, budget, duration or project termination.

Please provide a short explanation for the rating indicated above:

A)	The objective is to produce one document that will explain the research and meetings held in order to conclude with a proposed course of action towards global certification
B)	We signed the contract in june and it is for one year, however we plan on finishing in the SKN meeting of March. The document is divided in different chapters, and we have been working on them througout the year, so we expect to have the document finished by March. In the worst case, we might spend another monthe editing the document and polishing it a little bit.

2. Main achievements towards goals and milestones

Please indicate main achievements of the project so far, in order of relevance:

a)	2012-01-20 First web conference of the working group.In this meeting we set the main ideas for the document and for the fund we later asked for.Minutes of the meeting are sent attached.
